working for Aaron. Painful / curious.

* Aaron → wanted to know what willing to talk - tell the truth.
* 1 hour

15 hours. → called several X's.
nothing about burial.

- Aaron - stated stand on abd. G street location
when (b) (6), (b) (7)(C) rented / leased.

(b) (6), (b) (7)(C) → boxes at Glass.

X - pallets / boxes + loose Glass piled

• Observed excavator near pile (X) that December 11, 2016
is parked to founder parking lot - walked through woods.

(W)

3 x 5

onto excavate pile - identified (O)
Documented pic + video.

1 - hole - putting cover & pallets and burning
also glass. Then covered.

2 - Second hole - glass boxes + pallets

2012

Filling in hole.

(b) (6), (b) (7)(C)

- and observing / supervising the ~~hole digging~~
+ burning

employees were digging / ~~dumping~~ / burning.

~~Not sure if~~ Not sure if loaded / unloaded.

(b) (6), (b) (7)(C)

told Avon - can't put it thru (are).
possible wetland. (prior too slow moving thru).

↳ also advised (b) (6), (b) (7)(C) the same -) - placed
in Nov. 2015 extract.

(b) (6), (b) (7)(C)

~~property~~ still a pile at property.

After pic/vid - called Avon told him what was going on -

↳ Avon went thru - called back stated the glass
is gone. - No further contact till today.

(b) (6), (b) (7)(C)

(b) (6), (b) (7)(C) (b) (6), (b) (7)(C)

Third time at property - tools -
holes or ridges.
↳
